ABOUT US

La Terrazza di Otranto is located in via Bastione dei Pelasgi in the historic center of Otranto.

Located on the Adriatic coast of the Salento peninsula, it is the easternmost town in Italy. We are in the heart of the historic center and enjoy the view of both the city and the sea and the beach in front of our beautiful terrace. From our terrace on some beautiful weather days it is possible to see the Albanian mountains, especially during sunset or sunrise.

We count a total of 25 beds, in personalized, unique environments that have their own soul.

La Terrazza di Otranto is the real place to celebrate the love for your partner, for yourself, for the Apulian cuisine.

We had a lovely time making tiramisu and gnocchi at Federica's house in Otranto. It has the most incredible sunset views and it was great sharing the experience with some other guests. Federica very kindly shared the recipes with us afterwards which was much appreciated.
